

**July 5, 2018 (Day 1)**

| <b>Start</b>       | <b>End</b>   |   |  |
|--------------------|--------------|---|--|
| <b>Blue Hall 1</b> |              |   |  |
| <b>9.00</b>        | <b>12.30</b> | <b>Specialized Commission of the Ministry of Health of the Russian Federation</b>                 |  |
| <b>12.30</b>       | <b>14.00</b> | <b>Break</b>  |  |
| <b>14.00</b>       | <b>18.00</b> | <b>Section of Swiss Society of Medical Oncology [ENG]</b>   |  |
| <b>14.00</b>       | <b>16.10</b> | <b>Session 1. Swiss Radiation Oncology.</b>   |  |
|                    |              | <b>Preparation for Radiation Oncology 2020: from Multidisciplinarity to High-Precision</b>        |  |
|                    |              | Chairpersons: Nikolai Krotov, Stephan Bodis   |  |
| <b>14.00</b>       | <b>14.10</b> | <b>Keynote address</b>  | Prof. Stephan Bodis,<br>Head of Radiation Oncology Department,<br>Cantonal Hospital in Aarau, Switzerland  |
| <b>14.10</b>       | <b>14.35</b> | <b>Prostate Cancer Screening: When and How?</b>   | Prof. Franz Recker<br>Senior Consultant Urology, Cantonal Hospital<br>in Aarau, Switzerland  |
| <b>14.35</b>       | <b>14.40</b> | <b>Discussion</b>   |  |
| <b>14.40</b>       | <b>15.05</b> | <b>Radiosurgery for Brain Metastases: Principles and Practice</b>                                 | Dr. Susanne Rogers<br>Radiotherapist Cantonal Hospital in Aarau,<br>Switzerland  |
| <b>15.05</b>       | <b>15.10</b> | <b>Discussion</b>   |  |
| <b>15.10</b>       | <b>15.35</b> | <b>Extracranial Stereotactic Radiotherapy: Principles and Practice</b>                            | Prof. Oscar Matzinger<br>Head of Medical & Radiation<br>Oncology Department<br>Riviera Chablais Hospital -<br>Vevey, Switzerland   |
| <b>15.35</b>       | <b>15.40</b> | <b>Discussion</b>   |  |
| <b>15.40</b>       | <b>16.05</b> | <b>Radiation Oncology in Europe 2020 - Need for Coordination of Infrastructure, Resources and</b> | Prof. Stephan Bodis<br>Head of Radiation Oncology Department<br>Cantonal Hospital in Aarau, Switzerland  |
| <b>16.05</b>       | <b>16.10</b> | <b>Discussion</b>   |  |
| <b>16.30</b>       | <b>18.00</b> | <b>Session 2. Swiss-German Surgical Oncology Session</b>  |  |
|                    |              | <b>Updates in Surgery for Pancreatic, Colorectal and Prostate Cancer and Hepatic Metastases</b>   |  |
|                    |              | Chairpersons: Nikolai Krotov, Mark Hartel   |  |
| <b>16.30</b>       | <b>16.40</b> | <b>Keynote address</b>  | Prof. Mark Hartel<br>Chief Medical Officer, Department of General<br>and Visceral Surgery  |
| <b>16.40</b>       | <b>17.05</b> | <b>Surgical Treatment for Pancreatic Cancer</b>   | Prof. Mark Hartel<br>Chief Medical Officer, Department of General<br>and Visceral Surgery Cantonal Hospital in<br>Aarau, Switzerland   |
| <b>17.05</b>       | <b>17.10</b> | <b>Discussion</b>   |  |
| <b>17.10</b>       | <b>17.40</b> | <b>Surgical Therapy for Colorectal Cancer</b>   | Prof. Detlef Ockert<br>Chief Medical Officer,<br>Department of General, Visceral and<br>Vascular Surgery, Krankenhaus der<br>Barmherzigen Brüder Trier (Brothers of<br>Mercy Hospital), Trier, Germany |
| <b>17.40</b>       | <b>18.00</b> | <b>Discussion</b>   |  |

| Blue Hall 2 |       |  |   |
|-------------|-------|--|---|
| 9.00        | 16.00 | Poster Session   |   |
| Blue Hall 3 |       |  |   |
| 9.00        | 12.30 | Masterclass on Gynecologic Oncology: Surgical Debulking of Advanced Ovarian  |   |
| 12.30       | 14.00 | Break  |   |
| 14.00       | 18.00 | Masterclass on Gynecologic Oncology: Surgical Debulking of Advanced Ovarian  |   |
| Blue Hall 4 |       |  |   |
| 09.00       | 12.30 | Laparoscopic Surgery of Gastric Cancer [ENG]   |   |
| 09.00       | 09.15 | Patient Presentation   |   |
| 09.30       | 14.00 | Laparoscopic Distal Subtotal Gastric Resection or Gastrectomy with D2 Lymphadenectomy.<br>Live Surgery Broadcast   | Prof. Alexey Mikhailovich Karachun<br>Moderators in the hall: Prof. Takeshi Sano, Prof. Takahiro Kinoshita, Prof. Woo Jin Hyung           |
| 14.00       | 14.30 | Break  |   |
| 14.30       | 14.50 | Gastric Resection or Gastrectomy: How I  | Prof. Takeshi Sano. Japan   |
| 14.50       | 15.00 | Discussion   |   |
| 15.00       | 15.20 | Laparoscopic Gastric Resection or Gastrectomy:   | Prof. Takahiro Kinoshita. Japan   |
| 15.20       | 15.30 | Discussion   |   |
| 15.30       | 15.50 | Laparoscopic Gastric Resection or Gastrectomy:<br>How I Do It (video)  | Prof. Woo Jin Hyung, South Korea  |
| 15.50       | 16.00 | Discussion   |   |
| 16.00       | 16.20 | Laparoscopic Gastric Resection or Gastrectomy:   | Prof. Alexey Mikhailovich Karachun, Saint Petersburg, N.N. Petrov NMRC of   |
| 16.20       | 16.30 | Discussion   |   |
| 16.30       | 16.50 | Laparoscopic Gastric Resection or Gastrectomy:   | Sergey Viktorovich Baido, Ukraine, Kiev   |
| 16.50       | 17.00 | Discussion   |   |
| 17.00       | 17.20 | Laparoscopic Gastric Resection or Gastrectomy:<br>How I Do It (video)  | Roman Yevgenievich Izrailov, Moscow   |
| 17.20       | 17.30 | Discussion   |   |
| 17.30       | 18.00 | Summary of Proposed Techniques for Laparoscopic Surgery of Gastric Cancer –  | Alexey Mikhailovich Karachun  |
| Blue Hall 5 |       |  |   |
| 08.30       | 18.00 | Surgical Treatment of Breast Cancer after Neoadjuvant Therapy with Masterclass (Live Surgery moderators: Artur Khalitovich Ismagilov, Aziz Dilshodovich Zikiriakhodzhaev, Tengiz Tengizovich Tabagua |   |
| 08.30       | 10.30 | SURGERY<br>Surgical Treatment after Neoadjuvant  | Tengiz Tengizovich Tabagua, Federal State Budgetary Institution "N.N. Petrov NMRC of  |
| 10.30       | 10.40 | Discussion   |   |
| 10.40       | 12.00 | Session 1. Achievements and Problems of Breast Cancer Neoadjuvant Therapy<br>Chairpersons: Prof. Vladimir Fiodorovich Semiglazov, Wolfgang Eiermann, Sergey  |   |
| 10.40       | 10.55 | Escalation and De-Escalation of Breast Cancer Local Treatment. General Approach<br>St.Gallen– реконструкций  | Vladimir Fiodorovich Semiglazov<br>Federal State Budgetary Institution "N.N. Petrov NMRC of Oncology" of the Ministry of Health of Russia |
| 10.55       | 11.00 | Discussion   |   |
| 11.00       | 11.15 | Neoadjuvant Therapy of Breast Cancer. Achievements. Problems.  | Wolfgang Eiermann, Germany  |
| 11.15       | 11.20 | Discussion   |   |

|       |       |   |   |
|-------|-------|---|---|
| 11.20 | 11.30 | <b>Organ Preservation Treatment of Inflammatory Breast Cancer after Neoadjuvant Chemotherapy</b>      | Sergey Mikhailovich Portnoy, Moscow. Federal Surgery Centre.  |
| 11.30 | 11.35 |   | <b>Discussion</b>   |
| 11.35 | 11.45 | <b>Personal Experience of Surgical Treatment of Breast Cancer after Neoadjuvant Chemotherapy</b>      | Igor Aleksandrovich Chizh, Academician I.P. Pavlov First Saint Petersburg State Medical University                                  |
| 11.45 | 12.00 |   | <b>Discussion</b>   |
| 12.30 | 14.00 |   | <b>Break</b>  |
| 14.00 | 15.10 | <b>Session 2. Discussion Club – Complications after Reconstructive Plastic Surgery</b>                |   |
|       |       | Chairpersons: Konstantin Yurievich Zernov, Dr. Stefan Paepke, Zoltan Matrai, Artur                    |   |
| 14.00 | 14.05 | <b>Reconstruction with Implants and Expanders</b>   | Zoltan Matrai, Department of Breast and Sarcoma Surgery at the National Institute of Oncology, Budapest, Hungary.                   |
| 14.05 | 14.10 |   | <b>Discussion</b>   |
| 14.10 | 14.20 | <b>Complications after Expanders and Implants Placement</b>   | Artur Khalitovich Ismagilov, State Budgetary Educational Institution of Additional  |
| 14.20 | 14.25 |   | <b>Discussion</b>   |
| 14.25 | 14.35 | <b>Reconstruction with Mesh</b>   | Dr. Stefan Paepke, Klinik und Poliklinik für Frauenheilkunde der Technischen Universität  |
| 14.35 | 14.40 |   | <b>Discussion</b>   |
| 14.40 | 14.50 | <b>Complications after Using Mesh in Breast Reconstruction</b>  | Aziz Dilshodovich Zikiriakhodzhayev, State Budgetary Educational Institution "P.A. Gertsen Moscow Research Oncology                 |
| 14.50 | 14.55 |   | <b>Discussion</b>   |
| 14.55 | 15.05 | <b>Topic of the report is still to be determined</b>  | Konstantin Yurievich Zernov, Federal State Budgetary Institution "N.N. Petrov NMRC of   |
| 15.05 | 15.10 |   | <b>Discussion</b>   |
| 15.10 | 16.10 | <b>Session 3. Disputable Issues of Surgical Treatment after Neoadjuvant Therapy</b>                   |   |
|       |       | Chairpersons: A.V. Petrovsky, P.V. Krivorotko   |   |
| 15.10 | 15.20 | <b>Resection Margins</b>  | Aleksandr Alekseyevich Bessonov, Federal State Budgetary Institution "N.N. Petrov NMRC of Oncology" of the Ministry of              |
| 15.20 | 15.25 |   | <b>Discussion</b>   |
| 15.25 | 15.35 | <b>Sentinel Lymph Node Biopsy after Neoadjuvant Chemotherapy</b>                                      | Yelena Konstantinovna Zhiltsova, Federal State Budgetary Institution "N.N. Petrov NMRC of Oncology" of the Ministry of              |
| 15.35 | 15.40 |   | <b>Discussion</b>   |
| 15.40 | 15.50 | <b>Radiation Therapy after Neoadjuvant Chemotherapy</b>   | Sergey Nikolayevich Novikov, Federal State Budgetary Institution "N.N. Petrov NMRC of Oncology" of the Ministry of Health of Russia |
| 15.50 | 15.55 |   | <b>Discussion</b>   |
| 15.55 | 16.05 | <b>Topic of the report is still to be determined</b>  | Speaker is still to be determined   |
| 16.05 | 16.10 |   | <b>Discussion</b>   |
| 16.10 |       | <b>Session 4.</b>   |   |
|       |       | Chairpersons: Vladimir Fiodorovich Semiglazov, Petr Vladimirovich Krivorotko                          |   |
| 16.10 | 16.20 | <b>Connection between Gene Expression in Breast Cancer Tumour and Neoadjuvant Chemotherapy Effect</b> | Litvinov<br>Federal State Budgetary Institution "Cancer Research Institute of Tomsk National  |
| 16.20 | 16.25 |   | <b>Discussion</b>   |
| 16.25 | 16.35 | <b>Interim Trephine Biopsies</b>  | V.O. Bashlyk, Federal State Budgetary Institution "N.N. Petrov NMRC of Oncology"  |

|                       |       |  |  |
|-----------------------|-------|--|--|
| 16.35                 | 16.40 |  | <b>Discussion</b>  |
| 16.40                 | 16.50 | <b>Gender Differences in Breast Cancer</b>   | K.S. Nikolaev, Federal State Budgetary Institution "N.N. Petrov NMRC of Oncology"                    |
| 16.50                 | 16.55 |  | <b>Discussion</b>  |
| 16.55                 | 17.10 | <b>What Will We Do Tomorrow?</b>   | P.V. Krivotko, Federal State Budgetary Institution "N.N. Petrov NMRC of Oncology" of the Ministry of |
| 17.10                 | 17.40 |  | <b>Discussion</b>  |
| <b>Green Hall 5</b>   |       |  |  |
| 09.00                 | 18.00 | <b>Inovation Room Jonson and Jonson</b>  |  |
| <b>Green Hall 6+7</b> |       |  |  |
| 9.00                  | 12.30 | <b>Training in Oncology: Russia vs World</b>   |  |
| 12.30                 | 14.00 | <b>Break</b>   |  |
| 14.00                 | 18.00 | <b>Cancer Care in the Russian Federation</b>   |  |
|                       |       | Chairpersons: Rustem Shamilevich Khasanov (Kazan), Vladimir Vladimirovich Starinsky (Moscow), Andrey Petrovich Karitsky (Saint Petersburg)                       |  |
| 14.00                 | 14.05 | <b>Keynote address</b>   | Alexey Mikhailovich Belyaev (Saint Petersburg)   |
| 14.05                 | 14.15 | <b>Topic of the report is still to be determined</b>   | Rustem Shamilevich Khasanov (Kazan)  |
| 14.15                 | 14.20 |  | <b>Discussion</b>  |
| 14.20                 | 14.35 | <b>Topic of the report is still to be determined</b>   | David Georgiyevich Zaridze (Moscow)  |
| 14.35                 | 14.40 |  | <b>Discussion</b>  |
| 14.40                 | 14.55 | <b>Organization of Cancer Care Provision in the Federal Medical Facility</b>   | Andrey Petrovich Karitsky (Saint Petersburg)   |
| 14.55                 | 15.00 |  | <b>Discussion</b>  |
| 15.00                 | 15.15 | <b>Cancer Care Status in Russia</b>  | V.V. Starinsky (Moscow)  |
| 15.15                 | 15.20 |  | <b>Discussion</b>  |
| 15.20                 | 15.35 | <b>Experience in Organization of Specialized Cancer Care System in University Clinic</b>   | S.F. Bagnenko (Saint Petersburg)   |
| 15.35                 | 14.40 |  | <b>Discussion</b>  |
| 14.40                 | 14.55 | <b>Evaluation of Pediatric Oncology Care Status in Russia</b>  | V.G. Polyakov (Moscow)   |
| 14.55                 | 15.00 |  | <b>Discussion</b>  |
| 15.00                 | 15.15 | <b>Prospects of Creation of Federal Cancer Register</b>  | O.P. Gretsova  |
| 15.15                 | 15.20 |  | <b>Discussion</b>  |
| 15.20                 | 15.35 | <b>Medical Care Quality Management System in Cancer Care Facility</b>  | A.D. Kaprin (Moscow)   |
| 15.35                 | 15.40 |  | <b>Discussion</b>  |
| 15.40                 | 15.55 | <b>Evaluation of Cancer Care Provision to Patients with Laryngeal and Pulmonary Malignant Neoplasms in Tomsk Region Based on the Survival Rates in 2005-2016</b> | Ye. L. Choinozov (Tomsk)   |
| 15.55                 | 16.00 |  | <b>Discussion</b>  |
| <b>Green Hall 8</b>   |       |  |  |
| 9.00                  | 12.30 | <b>Genome Editing [ENG]</b>  |  |
| 09.00                 | 09.10 | <b>Introduction, Presentation of the speakers and program On behalf of Organizing committee</b>  |  |
| 09.10                 | 12.30 | <b>Session 1. Scientific progress in Cell &amp; Gene Therapy in Oncology/Hematology</b>  |  |

|       |       |   |  |
|-------|-------|---|--|
| 9:10  | 09.40 | <b>Evolution of approaches in cancer immunotherapy</b>  | Boris Afanasyev, Raisa Gorbacheva<br>Memorial Research Institute of Pediatric Oncology, Hematology and Transplantation |
| 09.40 | 09.45 |   | <b>Discussion</b>  |
| 09.45 | 10.15 | <b>Successes, problems and opportunities of CAR-T from the pioneer of T-cell engineering in clinic</b>        | Reiner Brentjens, Memorial Sloan Kettering Cancer Centre   |
| 10.15 | 10.20 |   | <b>Discussion</b>  |
| 10.20 | 10.50 | <b>Development &amp; Translation of cellular-based cancer immunotherapy</b>                                   | Joseph A Fraietta, University of Pennsylvania, Philadelphia  |
| 10.50 | 10.55 |   | <b>Discussion</b>  |
| 10.55 | 11.15 | <b>Optimal CAR design and development</b>   | Andrey Gorchakov, Institute of Molecular and   |
| 11.15 | 11.20 |   | <b>Discussion</b>  |
| 11.20 | 11.30 | <b>Topic of the report is still to be determined</b>  | Alexey Petuhov, Almazov National Medical Research Centre   |
| 11.30 | 11.35 |   | <b>Discussion</b>  |
| 11.35 | 11.45 | <b>Topic of the report is still to be determined</b>  | Sergey Kulemzin, Institute of Molecular and Cellular Biology of the Siberian Branch of the                             |
| 11.45 | 12.30 |   | <b>Discussion</b>  |
| 12.30 | 14.00 | <b>Break</b>  |  |
| 14.00 | 16.00 | <b>Session 2. New Horizons of Cell &amp; Gene Therapy in Oncology/Hematology</b>                              |  |
| 14.00 | 14.15 | <b>The way from the natural cell immunotherapy to hematopoietic cell engineering therapy</b>                  | Michael Maschan, D. Rogachev National Research Centre of Pediatric Hematology, Oncology and Immunology                 |
| 14.15 | 14.20 |   | <b>Discussion</b>  |
| 14.20 | 14.35 | <b>Different approaches to improve CAR-T cell therapies</b>   | Boris Fehse, University of Hamburg, Hamburg  |
| 14.35 | 14.40 |   | <b>Discussion</b>  |
| 14.40 | 15.00 | <b>CAR-modified NK cell is novel platform for safe and effective cancer immunotherapy</b>                     | Leonid S. Metelitsa, Baylor College of Medicine Houston, TX, US  |
| 15.00 | 15.05 |   | <b>Discussion</b>  |
| 15.05 | 15.30 | <b>Non-Viral Therapeutic Genome Engineering with the Sleeping Beauty Transposon System</b>                    | Zoltan Ivics, Division of Medical Biotechnology, Paul Ehrlich Institute, Langen  |
| 15.30 | 15.35 |   | <b>Discussion</b>  |
| 15.35 | 15.40 | <b>Non-viral CAR development</b>  | Scientific Research Institute of Oncology na N.N. Petrov / Raisa Gorbacheva Memorial Research Institute                |
| 15.40 | 15.45 |   | <b>Discussion</b>  |
| 15.45 | 15.55 | <b>Microcapsules as novel delivery system for genome engineering constructs</b>                               | Kirill Lepik, Raisa Gorbacheva Memorial Research Institute of Pediatric Oncology, Hematology and Transplantation       |
| 15.55 | 16.00 |   | <b>Discussion</b>  |
| 16.00 | 16.10 | <b>Break</b>  |  |
| 16.10 | 17.45 | <b>Session 3. Manufacturing and Regulatory of cell &amp; gene products</b>                                    |  |
| 16.10 | 16.30 | <b>CARAT project for developing an efficient and safe technology platform for advanced cellular therapies</b> | Andrew Kaiser, Miltenyi Biotec   |
| 16.30 | 16.35 |   | <b>Discussion</b>  |
| 16.30 | 16.45 | <b>Regulatory and Development gene &amp; cell products: Authorities view</b>                                  | Igor Korobko, Chief of Department of Innovation & science of Ministry of health  |
| 16.45 | 16.50 |   | <b>Discussion</b>  |
| 16.50 | 17.15 | <b>Regulatory and Development gene &amp; cell products: Industry view</b>                                     | Mikhail Samsonov, Chief of Medical Officer R-PHARM corp  |
| 17.15 | 17.20 |   | <b>Discussion</b>  |

|  |       |  |  |
|--|-------|--|--|
| 17.20  | 17.40 | <b>Regulatory and Development gene &amp; cell products: Academia view</b>                | Michael Maschan, D. Rogachev National Research Centre of Pediatric Hematology, Oncology and Immunology |
| 17.40  | 17.45 | <b>Discussion</b>  |  |
| <b>Green Hall 9</b>  |       |  |  |
| 8.45   | 12.30 | <b>Cancer Control and Screening [ENG]</b>  |  |
| 8.45   | 09.00 | <b>Presentation of Conference Participants and Speakers</b>                              | Anton Alekseyevich Barchuk   |
| 09.00  | 10.40 | <b>Session 1. Cancer Control Strategies</b>  |  |
| Chairpersons: David Zaridze, Yu-Ling Chao, Alexey Belyaev    |       |  |  |
| 09.00  | 09.15 | <b>Topic of the report is still to be determined</b>                                     | David Zaridze, Russia  |

## July 6, 2018 (Day 2)

| Blue Hall 1 |       |  |  |
|-------------|-------|--|--|
| 09.00       | 11.30 | <b>Gastric Cancer: Where We Are Now and Where We Are Going [ENG]</b>                                   |  |
| 09.00       | 09.10 | Keynote address. Presentation of Experts   | Prof. Alexey Mikhailovich Belyaev<br>Prof. Alexey Mikhailovich Karachun    |
| 09.10       | 09.30 | Gastric cancer in Asia and the rest of the   | <b>Takeshi Sano</b>  |
| 09.30       | 09.35 | <b>Discussion</b>  |  |
| 09.35       | 09.50 | Major Lines of Gastric Cancer Surgery Development  | Victor Anatolievich Kashchenko,<br>Saint Petersburg                        |
| 09.50       | 09.55 | <b>Discussion</b>  |  |
| 09.55       | 10.15 | Randomized controlled studies of gastric cancer surgery - what are the questions, what are the answers | Woo Jin Huyng  |
| 10.15       | 10.20 | <b>Discussion</b>  |  |
| 10.20       | 10.35 | Systemic Mesogastrectomy – Theoretical and Application Aspects   | Yuri Vasilevich Pelipas, Saint Petersburg,<br>N.N. Petrov NMRC of Oncology |

|       |       |  |   |
|-------|-------|--|---|
| 10.35 | 10.40 |  | <b>Discussion</b>   |
| 10.40 | 11.00 | Laparoscopic surgery for locally advanced gastric and esophagogastric junction cancer                          | Takahiro Kinoshita  |
| 11.00 | 11.05 |  | <b>Discussion</b>   |
| 11.05 | 11.20 | Laparoscopic Multivisceral Resection for Locally Advanced Gastric Cancer                                       | Sergey Viktorovich Baido  |
| 11.20 | 11.25 |  | <b>Discussion</b>   |
| 11.30 | 12.30 | <b>Opening of the 4th Petersburg International Forum "White Nights 2018" in Blue Hall</b>                      |   |
| 12.30 | 14.00 |  | <b>Break</b>  |
| 14.00 | 14.05 | Keynote address  | Prof. Alexey Mikhailovich Karachun  |
| 14.05 | 14.20 | Endoscopic Removal of Epithelial Gastric Tumours – Where Are the Limits of Possible?                           | Oleg Borisovich Tkachenko, N.N. Petrov<br>NMRC of Oncology  |
| 14.20 | 14.25 |  | <b>Discussion</b>   |
| 14.25 | 14.40 | Concept of Sentinel Lymph Node in Early Gastric Cancer Surgery, the First Results of Pilot Study               | Prof. Alexey Mikhailovich Karachun  |
| 14.40 | 14.45 |  | <b>Discussion</b>   |
| 14.45 | 15.00 | Laparoscopic Interventions for Cardioesophageal Cancer   | Roman Yevgenievich Izrailov   |
| 15.00 | 15.05 |  | <b>Discussion</b>   |
| 15.05 | 15.20 | Training in Laparoscopic Surgery for Gastric Cancer - What to Strive for                                       | Aleksandr Vyacheslavovich Sazhin  |
| 15.20 | 15.25 |  | <b>Discussion</b>   |
| 15.25 | 15.40 | 3D Anatomy of the Stomach  | Nikolai Lvovich Matveyev, Moscow  |
| 15.40 | 15.45 |  | <b>Discussion</b>   |
| 15.45 | 16.00 | Fast-Track Protocol in Patients Who Undergone Surgical Interventions for Gastric Cancer                        | Vladimir Konstantinovich Lyadov, Moscow   |
| 16.00 | 16.05 |  | <b>Discussion</b>   |
| 16.05 | 16.30 |  | <b>Break</b>  |
| 16.30 | 16.45 | Gastric Cancer through the Prism of Computer Tomography: Patient's Current Status and Prognosis for the Future | Inna Dmitriyevna Amelina, Saint Petersburg,<br>N.N. Petrov NMRC of Oncology                         |
| 16.45 | 16.50 |  | <b>Discussion</b>   |
| 16.50 | 17.05 | Clinicopathologic Parallels for Gastric Cancer as Viewed by Pathologist  | Tatiana Sergeevna Ovchinnikova, Saint Petersburg, N.N. Petrov NMRC of Oncology                      |
| 17.05 | 17.10 |  | <b>Discussion</b>   |
| 17.10 | 17.25 | Immediate Effects and Remote Results of Neoadjuvant Chemoradiotherapy in Gastric Cancer Patients               | Vitaly Yurievich Skoropad, Obninsk, A.F. Tsyba Medical Radiology Research Centre                    |
| 17.25 | 17.30 |  | <b>Discussion</b>   |
| 17.30 | 17.45 | New Opportunities and Prospects of Pre-Surgery Chemotherapy for Local Gastric Cancer                           | Mekhti Narimanovich Narimanov, Moscow,<br>N.N. Blokhin National Medical Research Centre of Oncology |
| 17.45 | 17.50 |  | <b>Discussion</b>   |
| 17.50 | 18.05 | Combined Modality Treatment of Gastric Cancer+HIPEC  | Mikhail Dmitriyevich Ter-Ovanesov,<br>Moscow  |
| 18.05 | 18.10 |  | <b>Discussion</b>   |

|  |       |   |  |
|--|-------|---|--|
| 18.10  | 18.25 | <b>Treatment of Gastric Cancer Patients with Peritoneal Carcinomatosis Using Different Types of Intraperitoneal Chemotherapy. Experience of P.A. Gertsen Moscow Research Oncology Institute</b> | Vladimir Mikhailovich Khomyakov, Moscow, P.A. Gertsen Moscow Research Oncology Institute             |
| 18.25  | 18.30 | <b>Discussion</b>   |  |
| 18.30  | 18.45 | <b>First Experience Obtained with PIPEC in Gastric Cancer Patients with Peritoneal Carcinomatosis</b>   | Aleksandr Anatolievich Zakharenko, Saint Petersburg, First Saint Petersburg State Medical University |
| 18.45  | 18.50 | <b>Discussion</b>   |  |
| 18.50  | 19.00 | <b>Closing Remarks. Session Wrap-Up</b>   | Prof. Alexey Mikhailovich Karachun   |
| <b>Blue Hall 2</b>   |       |   |  |
| 9.00   | 16.00 | <b>Poster Session</b>   |  |
| <b>Blue Hall 3</b>   |       |   |  |
| 09.30  | 11.20 | <b>4th M.L. Gershanovich Conference "Individualization in Treatment" "The Right Treatment - the Right Patient - The Right Time" [ENG]</b>   |  |
| 09.30  | 17.50 | <b>Session 1: Evolution of Drug Therapy</b>   |  |
| Chairpersons: Nataliya Innokentevna Perevodchikova (Moscow), Boris Vladimirovich Afanasyev (Saint Petersburg), Tatiana Yurievna Semiglazova (Saint Petersburg), Yevgeny Naumovich Imyanitov (Saint Petersburg), Alexey Mikhailovich Belyaev (Saint Petersburg) |       |   |  |
| 09.30  | 09.50 | <b>People Who Turned the Course of History in Oncology</b>  | Nataliya Innokentevna Perevodchikova (Moscow)  |
| 09.50  | 09.55 | <b>Discussion</b>   |  |
| 09.55  | 10.15 | <b>Innovations in Treatment of Relapsed and Refractory Lymphoma</b>   | Boris Vladimirovich Afanasyev (Saint Petersburg)   |
| 10.15  | 10.20 | <b>Discussion</b>   |  |
| 10.20  | 10.40 | <b>Key Events in Molecular Oncology within Recent Years</b>   | Yevgeny Naumovich Imyanitov (Saint Petersburg)   |
| 10.40  | 10.45 | <b>Discussion</b>   |  |
| 10.45  | 11.05 | <b>Current and Future Tactical Approaches to Treatment of Patients with NSCLC with Activating Mutations</b>   | Fiodor Vladimirovich Moiseyenko (Saint Petersburg)   |
| 11.05  | 11.20 | <b>Discussion</b>   |  |
| 11.30  | 12.30 | <b>Opening of the 4th Petersburg International Forum "White Nights 2018" in Blue Hall</b>   |  |

| 18.25   | 18.40 | <b>Laryngeal Cancer: Analysis of Causes of Death after Surgical and Combined Modality Treatment</b>  | Aleksandr Olegovich Guz (Chelyabinsk)            |
| 18.40   | 18.45 | <b>Discussion</b>  |  |

**July 7, 2018 (Day 3)**

| <b>Blue Hall 1</b>  |               |   |  |
|---|---------------|---|--|
| <b>09.00</b>  | <b>10.40</b>  | <b>Session 1</b>  |  |
| <b>Ovarian cancer: modern approaches to diagnosis and treatment</b> |               |   |  |
| <b>09.00</b>  | <b>09.15</b>  | <b>Ovarian cancer and inflammation</b>  | Lev Andreevich Ashrafyan (Moscow)                  |
| <b>09.15</b>  | <b>09.20</b>  | <b>Discussion</b>   |  |
| <b>09.20</b>  | <b>09.35</b>  | <b>Ovarian cancer surgical treatment. Standardization of the optimal debulking protocol</b>   | Igor Viktorovich Berlev (St. Petersburg)           |
| <b>09.35</b>  | <b>09.40</b>  | <b>Discussion</b>   |  |
| <b>09.40</b>  | <b>09.55</b>  | <b>Does the ovarian cancer exist?</b>   | Kirill Iosifovich Zhordaniya (Moscow)              |
| <b>09.55</b>  | <b>10.00</b>  | <b>Discussion</b>   |  |
| <b>10.00</b>  | <b>10.15</b>  | <b>The report subject is to be defined</b>  | Evgeniy Naumovich Imyanitov (St. Petersburg)       |
| <b>10.15</b>  | <b>10.20</b>  | <b>Discussion</b>   |  |
| <b>10.20</b>  | <b>10.35</b>  | <b>The report subject is to be defined</b>  | Polina Lyatoshinskaya (Vienna, Austria)            |
| <b>10.35</b>  | <b>10.40</b>  | <b>Discussion</b>   |  |
| <b>ОКТ.40</b>   | <b>11.00</b>  | <b>Break</b>  |  |
| <b>11.00</b>  | <b>дек.30</b> | <b>Session 2</b>  |  |
| <b>11.00</b>  | <b>11.10</b>  | <b>Introductory speech. Multidisciplinary approach to the ovarian cancer treatment</b>  | Adiliya Fettekhovna Urmancheeva Y (St. Petersburg) |
| <b>11.10</b>  | <b>11.15</b>  | <b>Discussion</b>   |  |
| <b>11.15</b>  | <b>11.25</b>  | <b>Role of the cytoreductive surgery in the advanced ovarian cancer treatment. Experience of Republican Research and Practice Centre of Oncology and Medical Radiology named after N.N. Aleksandrov</b> | E.V. Dolomanova (Minsk)                            |
| <b>11.25</b>  | <b>11.30</b>  | <b>Discussion</b>   |  |
| <b>11.30</b>  | <b>11.40</b>  | <b>Our experience in the advanced ovarian cancer treatment</b>  | Dilyara Radikovna Kaidarova (Almaty, Kazakhstan)   |
| <b>11.40</b>  | <b>11.45</b>  | <b>Discussion</b>   |  |
| <b>11.45</b>  | <b>11.55</b>  | <b>Our experience: personalized approaches to the comprehensive ovarian cancer</b>  | Lyudmila Ivanovna Krikunova (Obninsk)              |
| <b>11.55</b>  | <b>12.00</b>  | <b>Discussion</b>   |  |
| <b>12.00</b>  | <b>12.05</b>  | <b>Our experience in the surgical treatment of the advanced ovarian cancer treatment</b>  | Irakli Todua (Tbilisi, Georgia)                    |
| <b>12.05</b>  | <b>12.10</b>  | <b>Discussion</b>   |  |
| <b>12.10</b>  | <b>12.15</b>  | <b>Ovarian cancer surgery: laparotomy or laparoscopy? Where is the limit?</b>   | Artyom Stepanyan (Yerevan, Armenia)                |
| <b>12.15</b>  | <b>12.20</b>  | <b>Discussion</b>   |  |
| <b>12.20</b>  | <b>12.25</b>  | <b>Laparoscopy's role in the ovarian cancer surgery</b>   | Aleksey Sergeevich Shevchuk (Moscow)               |
| <b>12.25</b>  | <b>12.30</b>  | <b>Discussion</b>   |  |
| <b>12.30</b>  | <b>14.00</b>  | <b>Break</b>  |  |
| <b>14.00</b>  | <b>18.00</b>  | <b>Session 3</b>  |  |

|       |       |  |  |
|-------|-------|--|--|
| 14.00 | 14.10 | Is it possible to claim the NAKh (Russian: HAX) futility in the presence of disseminated ovarian cancer?   | Elena Grigoryevna Novikova (Moscow)          |
| 14.10 | 14.15 |  | <b>Discussion</b>                            |
| 14.15 | 14.25 | Optimization ways for the primary treatment of the disseminated ovarian cancer   | Larisa Aleksandrovna Kolomiets (Tomsk)       |
| 14.25 | 14.30 |  | <b>Discussion</b>                            |
| 14.30 | 14.40 | The report subject is to be defined  | Sergey Yanovich Maksimov (St. Petersburg)    |
| 14.40 | 14.45 |  | <b>Discussion</b>                            |
| 14.45 | 14.55 | Potential and prospects of the secondary interval cytoreduction surgeries in the ovarian cancer patients   | Sergey Eduardovich Krasilnikov (Novosibirsk) |
| 14.55 | 15.00 |  | <b>Discussion</b>                            |
| 15.00 | 15.10 | The report subject is to be defined  | Balentina Mikhaylovna Nechushkina            |
| 15.10 | 15.15 |  | <b>Discussion</b>                            |
| 15.15 | 15.25 | Experience in treatment of the ovarian cancer recurrences. Experience of FSBI National Medical Oncology Research Center named after N.N. Blokhin of the Ministry of Health of the Russian Federation | Cvetlana Viktorovna Khokhlova (Moscow)       |
| 15.25 | 15.30 |  | <b>Discussion</b>                            |
| 15.30 | 15.40 | Targeted therapy potential for the ovarian cancer treatment  | Elena Aleksandrovna Ulrikh (St. Petersburg)  |
| 15.40 | 15.45 |  | <b>Discussion</b>                            |
| 15.45 | 16.00 |  | <b>Break</b>                                 |
| 16.00 | 18.00 |  | <b>Session 4</b>                             |
| 16.00 | 16.10 | Hereditary ovarian cancer and Lynch syndrome. Are there the points of intersection?  | Gulnara Kamilevna Mukhamedyarova (Kazan)     |
| 16.10 | 16.15 |  | <b>Discussion</b>                            |
| 16.15 | 16.25 | Ovarian neuroendocrine tumors  | Seda Avikovna Nikogosyan (Moscow)            |
| 16.25 | 16.30 |  | <b>Discussion</b>                            |
| 16.30 | 16.40 | Endometriosis and endometrioid carcinoma   | Yulia Gennadyevna Payanidi (Moscow)          |
| 16.40 | 16.45 |  | <b>Discussion</b>                            |
| 16.45 | 16.55 | Primary peritoneal cancer  | Natalya Evgenyevna Levchenko (Moscow)        |
| 16.55 | 17.00 |  | <b>Discussion</b>                            |
| 17.00 | 17.10 | "Rare epithelial ovarian cancer. Is the treatment personalization necessary?"  | Elena Aleksandrovna Ulrikh (St. Petersburg)  |
| 17.10 | 17.15 |  | <b>Discussion</b>                            |
| 17.15 | 17.25 | Intraperitoneal chemotherapy and HIPEC. Where? When? Why?  | Anna Genrikhovna Kedrova (Moscow)            |
| 17.25 | 17.30 |  | <b>Discussion</b>                            |

|  |       |  |   |
|--|-------|--|---|
| 17.30                                      | 17.45 | Intraperitoneal chemotherapy and HIPEC. Experience of FSBI N.N. Petrov National Medical Oncological Research Center of Ministry of Health of the Russian Federation            | Konstantin Dzhamilevich Guseynov (St. Petersburg) |
| 17.45                                      | 18.00 | <b>Discussion</b>  |   |
| <b>Blue Hall 2</b>                         |       |  |   |
| 09.00                                      | 12.30 | <b>Rectal cancer - revolution and evolution [ENG]</b>  |   |
| 09.00                                      | 12.30 | <b>Session 1. Complete clinical regression – Revolution in the oncological proctology</b>  |   |
| Chairpersons: Phil Caushaj, Yuriy Shelygin |       |  |   |
| 09.00                                      | 09.10 | Welcome speech   |   |
| 09.10                                      | 09.25 | Rectal cancer – past, present and future. Where are we in 21 century?  | Angelita Habr-Gama                                |
| 09.25                                      | 09.30 | <b>Discussion</b>  |   |
| 09.30                                      | 09.40 | Is it possible to predict what patients can have the response to the chemical-radiological therapy   | Evgeniy Imyanitov                                 |
| 09.40                                      | 09.45 | <b>Discussion</b>  |   |
| 09.45                                      | 09.55 | Tumor regression assessment. Can the MRT be used in the patient selection for the expectant management?  | Gina Brown  |
| 09.55                                      | 10.00 | <b>Discussion</b>  |   |
| 10.00                                      | 10.05 | More chemotherapy and less radiological therapy?   | Aleksey Tryakin                                   |
| 10.05                                      | 10.10 | <b>Discussion</b>  |   |
| 10.10                                      | 10.15 | Less chemotherapy and more radiological therapy?   | Elena Tyuryaeva                                   |
| 10.15                                      | 10.20 | <b>Discussion</b>  |   |
| 10.20                                      | 10.30 | When can the use of the neoadjuvant chemical-radiological therapy be avoided in the rectal cancer patients?  | Zoran Krivokapic                                  |
| 10.30                                      | 10.35 | <b>Discussion</b>  |   |
| 10.35                                      | 10.45 | Rectal cancer: Good vs bad prognosis. MRT potential?   | Gina Brown  |
| 10.45                                      | 10.50 | <b>Discussion</b>  |   |
| 10.50                                      | 11.00 | Does ERUS have meaning in the rectal cancer staging?   | Evgeniy Khomyakov                                 |
| 11.00                                      | 11.05 | <b>Discussion</b>  |   |
| 11.05                                      | 11.15 | Radiological therapy in the regional rectal cancer treatment : Whom and how?   | Phil Caushaj                                      |
| 11.15                                      | 11.20 | <b>Discussion</b>  |   |
| 11.20                                      | 11.30 | Optimal interval for tumor regression assessment after the chemical-radiological therapy   | Igor Vitalyevich Pravosudov                       |
| 11.30                                      | 11.35 | <b>Discussion</b>  |   |
| 11.35                                      | 11.45 | What to do if the circumferential resection margin remains positive (mrCRM+) after the chemical-radiological therapy. Extensive operation? Add-on therapy up to the operation? | Ricardo Escalante                                 |
| 11.45                                      | 11.50 | <b>Discussion</b>  |   |

|                    |       |   |  |
|--------------------|-------|---|--|
| 11.50              | 12.05 | Modern prognosis factors in the treatment   | Olga Ivko                                      |
| 12.05              | 12.30 | Discussion  |  |
| дек.30             | 14.00 | Break   |  |
| 14.30              | 17.15 | <b>Session 2. From sphincter-preserving to organ-preserving surgery</b><br>Chairpersons: Narimantas Samalavicius, Igor Vitallyevich Pravosudov  |  |
| 14.30              | 14.40 | Robotic TME: Is it a future of the colorectal surgery?  | Ho-Kyung Chun                                  |
| 14.40              | 14.45 | Discussion  |  |
| 14.45              | 14.55 | Almost complete clinical regression. What is the role of the local excision or contact radiation therapy?   | Jean Pierre Gerard                             |
| 14.55              | 15.00 | Discussion  |  |
| 15.00              | 15.10 | Is the intersphincter resection a good alternative to the abdominoperineal resection?   | Aleksey Mikhaylovich Karachun                  |
| 15.10              | 15.15 | Discussion  |  |
| 15.15              | 15.25 | Is it possible to avoid the surgery in the treatment of the rectal cancer patients?   | Angelita Habr-Gama                             |
| 15.25              | 15.30 | Discussion  |  |
| 15.30              | 15.40 | Local excision of the rectal cancer. When is it reasonable?   | Narimantas Samalavicius                        |
| 15.40              | 15.45 | Discussion  |  |
| 15.45              | 15.55 | Is the adjuvant chemotherapy justified in the rectal cancer patients?   | Ivan Rykov                                     |
| 15.55              | 16.00 | Discussion  |  |
| 16.00              | 16.10 | Salvage surgery after the local excision: When and whom? Is the assessment of the invasion depth into the submucous membrane prognostic-significant at present?   | Evgeniy Rybakov                                |
| 16.10              | 16.15 | Discussion  |  |
| 16.15              | 16.25 | TEM – a role and position in the modern treatment of the rectal cancer patients   | Stanislav Chernyshev                           |
| 16.25              | 16.30 | Discussion  |  |
| 16.30              | 16.40 | Strategy of organ preservation treatment for the rectal cancer patients T2-T3   | Jean Pierre Gerard                             |
| 16.40              | 16.45 | Discussion  |  |
| 16.45              | 17.00 | Comprehensive training program in the optimization of the treatment of the rectal cancer patients   | Ayhan Kuzu                                     |
| 17.00              | 17.15 | Discussion  |  |
| <b>Blue Hall 3</b> |       |   |  |
| 9.00               | 12.30 | <b>Fundamental aspects of cancer immunology</b>   |  |
| 09.00              | 10.10 | <b>Session 1. Fundamental questions of the cancer immunology</b><br>Chairpersons: Irina Aleksandrovna Baldueva (St. Petersburg), Zaira Grigiryevna Kadagidze (Moscow), Viktor Konstantinovich Kozlov (St. Petersburg) |  |
| 09.00              | 09.10 | Welcome speech to the Forum participants  | Irina Aleksandrovna Baldueva (St. Petersburg), |

|   |       |  |  |

| 14.00 | 14.15 | Cardiooncology - from cardiotoxicity of antitumor treatment to stratification of the cardiovascular complication risk      | Simon Teymurazovich Matskeplishvili (Moscow)    |
| 14.15 | 14.20 | <b>Discussion</b>  |   |
| 14.20 | 14.35 | Role of cardiologist in prevention of perioperative cardiovascular complications in oncosurgery                            | Vera Issakovna Potiyevskaya (Moscow)            |
| 14.35 | 14.40 | <b>Discussion</b>  |   |
| 14.40 | 15.50 | Cardiotoxicity of chemotherapy of malignant tumors - chemotherapist's view   | Larisa Vladimirovna Bolotina (Moscow)           |
| 15.50 | 15.55 | <b>Discussion</b>  |   |
| 15.55 | 16.05 | Cardiological problems of oncological patients. Not only cardiotoxicity  | Marina Feliksovna Ballyuzek (St. Petersburg)    |
| 16.05 | 16.10 | <b>Discussion</b>  |   |
| 16.10 | 16.20 | Prevention and treatment of cardiotoxicity in oncological clinic - cardiologist's view                                     | Olga Yefimovna Popovkina (Obinsk)               |
| 16.20 | 16.25 | <b>Discussion</b>  |   |
| 16.25 | 16.35 | Cardiovascular complications of antitumor therapy  | Yelena Ivanovna Yemelina (Moscow)               |
| 16.35 | 16.40 | <b>Discussion</b>  |   |
| 16.40 | 16.50 | Cardiotoxicity of modern antitumor medicines   | Nikita Aleksandrovich Kozyavin (St. Petersburg) |
| 16.50 | 16.55 | <b>Discussion</b>  |   |
| 16.55 | 17.15 | <b>Break</b>   |   |
| 17.15 | 17.25 | Dinamics of laboratory markers of cardiovascular diseases in colorectal cancer patients in the early post-operative period | Marina Viktorovna Poluektova (Obninsk)          |
| 17.25 | 17.30 | <b>Discussion</b>  |   |
| 17.30 | 17.40 | Features of treatment of atrial fibrillations in chronic lympholeukosis patients receiving ibrutinib medication            | Yelena Ivanovna Yemelina (Moscow)               |
| 17.40 | 17.45 | <b>Discussion</b>  |   |
| 17.45 | 17.55 | Valvular defect after radiation treatment  | Gennady Yefimovich Gendlin (Moscow)             |
| 17.55 | 18.00 | <b>Discussion</b>  |   |
| 18.00 | 18.10 | Arterial hypertension in chronic lympholeukosis patients receiving target therapy with ibrutinib                           | Gennady Yefimovich Gendlin (Moscow)             |
| 18.10 | 18.15 | <b>Discussion</b>  |   |

|  |       |  |                                    |
|--|-------|--|------------------------------------|
| 18.15  | 18.25 | Progression of arterial hypertension in chemotherapy in breast cancer patients   | Ani Ashotovna Avalyan (Moscow)     |
| 18.25  | 18.30 | <b>Discussion</b>  |                                    |
| 18.30  | 18.40 | Cardiometry resources in oncology: possibility of complex assessment of dynamics of electrophysiological, metabolic and adaptive status of patients in the phase categories of Cardiocode device | Mikhail Yuryevich Rudenko (Moscow) |
| 18.40  | 18.45 | <b>Discussion</b>  |                                    |
| <b>Red Hall 8+9</b>                          |       |  |                                    |
| 09.00  | 12.30 | <b>Light desynchronosis, aging and cancer [ENG]</b>  |                                    |
| 09.00  | 10.40 | <b>Session 1</b>   |                                    |
| Chairpersons: V.N. Anisimov, Y.Touitou       |       |  |                                    |
| 09.00  | 09.15 | The report subject is to be specified  | Touitou Y.                         |
| 09.15  | 09.20 | <b>Discussion</b>  |                                    |
| 09.20  | 09.35 | Changes of Melatonin Production in Female Sprague-Dawley Rats During Solar Cycles 23 and 24  | Bartsch C                          |
| 09.35  | 09.40 | <b>Discussion</b>  |                                    |
| 09.40  | 09.55 | Extrapineal melatonin: role and important  | I.M. Kvetnoy                       |
| 09.55  | 10.00 | <b>Discussion</b>  |                                    |
| 10.00  | 10.15 | White nights as a factor of accelerated aging and oncogenesis  | I.A. Vinogradova                   |
| 10.15  | 10.20 | <b>Discussion</b>  |                                    |
| 10.20  | 10.35 | Seasonal dynamics of fatality from the main group of diseases in conditions of the   | O.N. Rogozin                       |
| 10.35  | 10.40 | <b>Discussion</b>  |                                    |
| 10.40  | 10.50 | <b>Break</b>   |                                    |
| 10.50  | 12.30 | <b>Session 2</b>   |                                    |
| Chairpersons: I.M. Kvetnoy, I.A. Vinogradova |       |  |                                    |
| 10.50  | 11.05 | The sleep-wake pattern and non-verbal intelligence of aged northern residents  | M.F. Borisenkov                    |
| 11.05  | 11.10 | <b>Discussion</b>  |                                    |
| 11.10  | 11.25 | Melatonin and human aging in the European part of the Arctic zone of the RF  | L.B. Kim                           |
| 11.25  | 11.30 | <b>Discussion</b>  |                                    |
| 11.30  | 11.45 | Expression of clock genes in tumors of experimental animals  | A.V. Panchenko                     |
| 11.45  | 11.50 | <b>Discussion</b>  |                                    |
| 11.50  | 12.05 | Analysis of primary disease incidence of youth in the Republic of Karelia, measures for prevention of oncological diseases in increased risk groups  | T.A. Lotosh                        |
| 12.05  | 12.10 | <b>Discussion</b>  |                                    |
| 12.10  | 12.25 | Elements of geodynamics parameter desynchronosis in students of northern medical high education institution  | Ye.Yu. Shalamov                    |
| 12.25  | 12.30 | <b>Discussion</b>  |                                    |
| 12.30  | 14.00 | <b>Break</b>   |                                    |
| 14.00  | 15.20 | <b>Session 3</b>   |                                    |
| Chairpersons: O.N. Rogozin, M.F. Borisenkov  |       |  |                                    |

|                    |       |  |   |
|--------------------|-------|--|---|
| 14.00              | 14.15 | Prognostic and diagnostic potential of epiphysis and pituitary gland screening in oncogynecological diseases | S.V. Ivanov   |
| 14.15              | 14.20 |  | Discussion  |
| 14.20              | 14.35 | Microelements in oncology  | Ye.A. Lugovaya  |
| 14.35              | 14.40 |  | Discussion  |
| 14.40              | 14.55 | The report subject is to be specified  | M.F. Ballyuzek  |
| 14.55              | 15.00 |  |   |
| 15.00              | 15.15 | The role of light desynchronosis in cancerogenesis and aging   | V.N. Anisimov   |
| 15.15              | 15.20 |  | Discussion  |
| <b>Red Hall 10</b> |       |  |   |
| 09.00              | 12.30 | <b>International conference of the East European Group for study of sarcomas</b>                             |   |
| 09.00              | 09.20 | Welcome speech   |   |
| 09.20              | 09.35 | Lyposarcomas. Modern approach to classification and differential diagnostics                                 | A.S. Artemyeva, Head of Pathomorphology Department, FGBU Petrov Research Institute of Oncology  |
| 09.35              | 09.40 |  | Discussion  |
| 09.40              | 09.55 | Modern approach to SMT chemotherapy  | Aleksandr Aleksandrovich Fedenko, Head of Chemotherapy Department, FGBU National Medical Research Institute for Oncology named after N.N. Blokhin |
| 09.55              | 10.00 |  | Discussion  |
| 10.00              | 10.15 | Results of recurrent extremity SMT treatment   | G.V. Zinovyev, oncological surgeon, FGBU Petrov Research Institute of Oncology  |
| 10.15              | 10.20 |  | Discussion  |
| 10.20              | 10.35 | Prospective lines of SMT radio therapy   | S.N. Novikov, Head of Radiation Therapy Department, Petrov Research Institute of Oncology   |
| 10.35              | 10.40 |  | Discussion  |
| 10.40              | 11.00 | Break  |   |
| 11.00              | 11.15 | The report subject is to be specified  | Speaker is to be confirmed  |
| 11.15              | 11.20 |  | Discussion  |
| 11.20              | 11.35 | Perioperative chemotherapy in bone and soft tissue sarcomas  | D.Kh. Latipova, Oncologist of Petrov Research Institute of Oncology   |
| 11.35              | 11.40 |  | Discussion  |
| 11.40              | 11.55 | Isolated perfusion or amputation at local spread sarcomas of soft tissues of extremities                     | Nikolay Sergeevich Petrochenko, oncology surgeon, FGBU "National Medical Research Institute for Oncology named after N.N. Blokhin                 |
| 11.55              | 12.00 |  | Discussion  |
| 12.00              | 12.20 | Clinical cases of rare localization sarcoma treatment  | G.M. Teletayev, oncologist of FGBU Petrov Research Institute of Oncology  |
| 12.20              | 12.30 |  | Discussion  |
| 12.30              | 14.00 | Break  |   |
| 14.00              | 14.15 | Ewing sarcoma, what's new in Molecular aspects   | Yong Koo, pathologist, Seul   |
| 14.15              | 14.20 |  | Discussion  |
| 14.20              | 14.35 | Fibrotic -histiocytic bone lesions   | I.V. Bulycheva, Pathologist   |
| 14.35              | 14.40 |  | Discussion  |
| 14.40              | 14.55 | Surgical treatment of bone metastasis  | V .V. Teplyakov, FGBU RNTsRR of the Ministry of Healthcare of Russia  |
| 14.55              | 15.00 |  | Discussion  |
| 15.00              | 15.15 | Endoprosthetics in bone malignant tumor patients. Experience of Kazakhstan NIIOiR                            | Gani Amangeldyevich Serikbayev, Head of the Bone, Soft Tissue and Melanoma Tumor Center   |
| 15.15              | 15.20 |  | Discussion  |

|                             |       |   |  |
|-----------------------------|-------|---|--|
| 15.20                       | 15.35 | Endoprosthetics of children and youth   | I. G. Gafton, oncological surgeon, FGBU Petrov Research Institute of Oncology  |
| 15.35                       | 15.40 | <b>Discussion</b>   |  |
| 15.40                       | 16.00 | <b>Break</b>  |  |
| 16.00                       | 16.15 | Reconstructive and plastic operative interferences at diphase bone tumors                                     | I.M. Mikhailov, oncological orthopedist  |
| 16.15                       | 16.20 | <b>Discussion</b>   |  |
| 16.20                       | 16.35 | Long-term results of shoulder joint endoprosthetics using inversion systems of in cancer patients             | Aleksandr Aleksandovich Zheravin, candidate of medical sciences, head of oncology and radiotherapy center of FGBU NMITS n.a. Ye.N. Meshalkin of the Ministry of Healthcare of Russia |
| 16.35                       | 16.40 | <b>Discussion</b>   |  |
| 16.40                       | 16.55 | How to achieve maximum recovery of upper extremity function after surgical treatment of oncological patients? | Vladimir Yuryevich Ivashkov, oncological surgeon of RONTs  |
| 16.55                       | 17.00 | <b>Discussion</b>   |  |
| 17.00                       | 17.15 | Revision endoprosthetics, experience of MRNTs   | A.A. Kurilshchik, MRNTs  |
| 17.15                       | 17.20 | <b>Discussion</b>   |  |
| 17.20                       | 17.35 | The report subject is to be specified   | Speaker is to be confirmed   |
| 17.35                       | 17.40 | <b>Discussion</b>   |  |
| 17.40                       | 18.00 | <b>Conclusion</b>   |  |
